HEALTH & SAFETY AT WORK ACT 2015

The Wairoa A&P Society is required to conform to the Health and Safety at Work Act 2015. However, as a show participant at this venue you are also obligated to accept responsibilities in relation to the operation and use of our 'Place of Employment' within the focus of this Act, which is to **eliminate** or substitute, **Minimise** by isolation, engineering control, administration control, personal protective equipment clothing to personal health and safety. The Wairoa A&P Society is responsible to present a safe venue for use.

As user of these facilities you are required to take all practical measures to manage and supervise the health and safety of your event or exhibit representatives, agents, employees and servicing contractors, during the period of this event (including set up and disassembly). The Act embodies a considerable measure of sound common sense, with the key being to identify potential risks in advance by practical management application. Some obvious elements to note as potential hazards include:
 Leading livestock in public areas; use of machinery, tools and equipment; unstable stages; platforms and ramps; riding horses in public areas; overhead power lines; BBQ / gas bottles; marquees / guide ropes & pegs; the Wairoa river.
