# Trade Exhibit Conditions

The 20 and 21 January 2017 are trade dates set for the Wairoa A&P Society's annual show.

The very successful Friday night entertainment is planned once again with the Speed Shear and local Rodeo Competition sure to attract members of the public to the show grounds.

Public pay for entry to the show grounds on Friday afternoon. We advise you set up your exhibit by 12 noon Friday to make use of the anticipated crowd.

The main exhibitors area is outdoors however there is indoor area available in the Exhibition Hall.

Applications should be returned by 20th December for priority placement. Please complete these in full as our site allocations are based on the information you give us. Sites will only be allocated for fully paid up applications. Your signature is required, as this is your agreement to abide by the conditions.

Unfortunately you are unable to select your own site.

Sites are allocated in the following order: Sponsors of our show, then non sponsors of the show.

Please complete the announcer information section. This information is for the announcers to give your exhibit publicity during the show.

A trade map & passes will be posted to you. Full payment must be received before passes are issued.

The committee reserve the right to refuse entry to any trade exhibitor if any of the following rules and regulations are not adhered to:

**GENERAL TRADE SITES:** Over 10 metre frontage \$15 PER METRE incl GST

I understand that by signing below that I have read, understood and agree to abide by the rules and regulations of the Health and Safety at Work Regulations 2016 and identify all potential hazards.

### HEALTH & SAFETY AT WORK REGULATIONS 2016

The Wairoa A&P Society is required to conform with the Health and Safety at Work Regulations 2016. However, as a Show Exhibitor at this venue you are also obligated to accept responsibilities in relation to the operation and use of our "Place of Employment" within the focus of this Act which is to eliminate, isolate or minimise risk to personal Health and Safety. The Wairoa A&P Society is responsible to present a safe venue for use. As user of these facilities you are required to take all practical measures to manage and supervise the health and safety of your event or exhibit representatives, agents, employees and servicing contractors, during the period of this event (including set up and disassembly). The Act embodies a considerable measure of sound common sense, with the key being to identify potential risks in advance by practical management application. Some obvious elements to note as potential hazards include: Leading livestock in public areas; Use of machinery, tools and equipment; Unstable stages, platforms and ramps; Riding Horses in public areas; Overhead Power Lines and the Wairoa River.
